Cents - Yrs favord 31st ult (invoice 770) & Espress package safely to hand. Have called in my friends (for whom some were ordered) to examine - Specimens generally satisfactory - some of them unusually satisfactory. But some of your figures are too high for most of our western men - My brother in-law Shumway is out of town for a few days but I never knew him to refuse a good thing on a/c of Price - There are four of us, each with fair collection. We each have many small coins - 10¢ 5¢ &c one is short of 10¢ 1828 & 1879 - another 1859 & 1863 - of 5¢ silver 1844 - 1864. 1869 - another of nickel 3¢ 1877 1883 1884 - another of nickel 5¢ 1877. ~~1879~~ - one of 25¢ 1837 1838 1834 1866 - I could also handle a few large cents & ½ cents if dates good - also full set Sil & Cop coinage of 1889 & 1890. in place of 1879 & 1880 in reverse order which was my mistake - all of which please send by Exp with invoice. I think they will have time to arrive before return of 5 - If you have a printed catalogue of Colonial coins please favor me with one, as a friend (Briggs) is high up there & wants one

Dear Mr. Chapman

Philadelphia Pa.

Yours of 19th

received today

[illegible] information

in my city or neighborhood.

As I opened each package my

glance fell before upon another

which no mistake could have

occurred here.

My friends thought me foolish

for my selection. Well I was foolish

in little matters. I think here was

a mistake made but, in fact I am

sure of it. Will soon order again

Sincerely
